no harm in asking
pain comes later on
when no one responds
and hope is gone

help wanted
enquire within

no alarm i'm still sleeping
a wake-up is set to explode
i'm all alone
but i'm not alone

help wanted

my pen is broken i am low on ink again
i'm unwanted paper thin

ticking hands on a watch face
quick sand at a slow pace

my pen is broken i am low on ink again
i'm unwanted paper thin
