

**when we lose our way**

i wanna be lost  
take all the maps and hide them away  
and be lost all day  
lost for a whole day

maps are fine they help sometimes  
*when we lose our way*

i wanna press stop  
wanna find a better song to play  
and be lost all day  
lost for a whole day

maps are fine  
they help sometimes  
*when we lose our way*  
*when we lose our way*  
there are some times when it's nice to feel blind  
we spin to unwind  
if we're lucky we might find  
a better place to lay  
and be lost all day  
lost for a whole day

i wanna get off  
switch signs and catch the wrong train  
and be lost all day  
lost
